

English

This term will be:

- Exploring 'An Eagle in the Snow' by Michael Morpurgo and using this as inspiration for our own versions!
- Creating some fabulous persuasive pieces of writing in the style of World War II advertisements, asking people to help in the war effort!
- Explore non-chronological reports and create our own fact files on healthy living.
- We will be debating 'sugar' and using our arguments to write a discussion - Should we ban sugary treats? :O

Mathematics

This term will be:

- Using calculations and written methods to add and subtract 2 and 3 digit numbers.
- Using calculations and written methods to multiply and divide numbers.
- Rehearsing and learning our times tables and learning division facts for 3, 4, 5, 6, and 8 times tables.
- Finding quantities of numbers using fractions and exploring equivalent fractions and decimals.
- Exploring shape, space and measures including perimeter and area, time, weight, money and 3D shapes.

Languages

We will be studying the story "Autour du monde" looking at transport and holidays.

Science

This term will be:

- Finishing our topic on states of matter, materials and their properties.
- During the second half of the term will be exploring animals including humans, thinking about our bodies and how to keep them strong and healthy!

Computing

We are going to develop our processing skills in Computing by using IT software and computing hardware in our Topic and Science work.

Geography

During the second half of the summer term, we be starting our new Geography topic: Physical Geography. We will look carefully at rivers and flooding, in particular in the UK. Through this, we can study the UK on a map, locating our main cities and how they link to the location of our rivers.

Art and Design

We will be continuing our World War Two art, which we have already started (creating our silhouette Blitz scenes) and looking at sketching.

History

This term we will be exploring World War Two:

- Rationing
- Evacuation
- Life on the Home Front
- The Blitz

R.E.

We are looking at the beginning of the world and exploring the big question: How did it all begin?

Music

Ongoing skills.

P.E.

Ongoing skills for Key Stage Two.

D.T.

Now we are well into the second half of our WW2 topic, we will be hopefully looking at air raid shelters and designing our own.

Summer Term

2016/17

Key Stage Two
