## **School Debt Policy**

### **Introduction**

The federation governing body has a responsibility to have a debt recovery policy which ensures that appropriate procedures are in place to enable the schools to receive all income to which it is entitled.

### **Aims and Objectives**

To ensure that the governing body complies with the Staffordshire Scheme for Financing Schools and Financial Regulations;

To protect the delegated school budget;

To apply this policy consistently to ensure debt is dealt with in a timely manner;

To ensure further goods or services are not supplied to parents/carers or customers who have not paid for items already received or used.

### **The debt recovery process**

The schools in the federation have their own procedures in place which are used to collect income. However, in the event that payment is not forthcoming then an official invoice will be raised on the County Council's finance system which will lead to the Council's debt recovery procedures as follows:

- Invoice raised with payment terms of 28 days
- A reminder is sent 3 days after the 28 days has expired
- A final notice is issued before the school can request the debt recovery officer to contact the parent/carer/customer at their home/ business address (minimum value £150) or the matter referred onto the courts (minimum value £250).

### **Dinner Money**

Payment for schools meals should be paid in advance and clearly marked in a sealed envelope with the child's name, class and amount and given in at the school office.

The school office will reconcile each day the payments received to the meals ordered and any discrepancy will in the first instance result in a phone call to the parent/carer to request payment. Any parent/carer that has not made payment by the end of the week will be sent a letter requesting immediate payment. This will be sent home with the child.

If payment is still not received within 15 school days then the parent/carer will be informed that the matter will be referred to the County Council and recovery action will be pursued.

Governors have decided on the following policy regarding unpaid meals:

- A meal will be served irrespective of whether the parent has paid, up to a maximum of 10 dinners.

### **Extended school activities (Busy Bodies Out of Hours Club at St Peter's School)**

Payment for extended school activities (Busy Bodies) should be made on receipt of the weekly invoice and clearly marked in a sealed envelope with the name of the child.

Accounts are reviewed on a weekly basis and any outstanding payments are carried forward on the weekly invoice or a copy invoice is sent. In the event that payment is not made within 3 weeks parents/carers will be sent a letter requesting payment.

Any non-payment will result in the parent/carer being informed that they can no longer use the facility and the debt will be referred onto the County Council for recovery.

### **Extended school activities (Nursery at St Peter's School)**

Payment for extended school activities should be made in advance and clearly marked in a sealed envelope with the name of the child.

Accounts are reviewed on a weekly basis. If in the event that payment has not been made within 2 weeks of the term start date then at the end of the week parents/carers will be sent a reminder requesting payment.

Any non-payment after 3 weeks will result in the parent/carer being informed that they can no longer use the facility and the debt will be referred onto the County Council for recovery.

### **Board and lodging on residential visits**

The board and lodging element of a residential visit can be charged to parents/carers and they are notified of the cost in advance and are given to opportunity to pay in instalments should they wish.

Payment must be made in full before the departure date or the child will not be allowed to attend.

### **Remissions**

In some cases governors have agreed that certain categories of pupils are not liable for the fee or are eligible for a reduced fee for some or all of; extended school activities, music tuition or residential visits. This is included within the Charging and Remissions Policy (reviewed annually).

## **Lettings**

Contracts for lettings of the school premises will be drawn up as necessary between the school and the client in line with the Charges and Remissions Policy.

Failure to pay on time will result in the debt being referred to the County Council for recovery. The letting agreement will be void and the client will be refused future hires.

## **Writing off debts**

When all practical and cost effective methods of debt recovery have been exhausted by the County Council the school will be notified of the amount of debt that is considered to be irrecoverable.

The governing body will take into account the age and size of each debt and any advice from the County Council before making a decision to write off debt.
